# “the Right Care...the Right Time...in the Right Place”

**Integra** is a new way to give you a better patient experience, better care, and better health.

*Our team of high-quality health care providers put you first.*

*We will help you live healthier giving the right care, in the right place, at the right time.*

## Better Care

### The Integra Community Care Network

More than 120,000 people like you are members of Integra. And that number is growing.

### Clinical Partners

The Integra Community Care Network is made up of the Care New England Health System, Rhode Island Primary Care Physicians Corporation (RIPCPC), and South County Health.

This includes more than 100 RIPCPC, CNE Medical Group, and South County Medical Group primary care practices, hundreds of medical specialists, and the following medical facilities:

- Butler Hospital
- Care New England Wellness Center
- Kent Hospital
- Memorial Hospital
- The Providence Center
- South County Health Medical & Wellness Centers
- South County Home Health
- South County Hospital
- Visiting Nurses Association of Care New England
- Women & Infants Hospital
- ...and growing

## Better Health

### How Integra Supports You

Integra is committed to giving you the right care, in the right place, at the right time.

This includes after-hours care seven days a week, nurse care coordinators, support services, and behavioral health care to help you get and stay better.

With Integra, there is a whole team ready to help you.

This means your doctors talk to each other and work together. This means you don't go for the same tests or answer the same questions over and over. With a team approach, we have what it takes to meet your needs.

With on-line portals, you can keep track of all your health care information in one easy, safe location. You can also find tools to help you set and meet your health goals.

You always retain the full range of patient choice provided by your health insurance. However, the benefits of care coordination, information sharing, and our team approach are improved the more you work with Integra practices.

## Participating Insurance

You are a member of Integra if you have one of the following insurance plans and your primary care provider is part of the Integra Community Care Network:

- Blue Cross Blue Shield of Rhode Island
- Blue Cross Blue Shield of Rhode Island - Medicare Advantage
- Medicare
- Neighborhood Health Plan of Rhode Island – Medicaid
- UnitedHealthcare Community Plan of RI

## For You
